

BROWNSTONE

PINOT NOIR

When our great grandfather immigrated to New York in 1903, his family lived in a brownstone, which described both the sandstone construction material and the building style. This wine honors our Italian-American ancestors who often quarried, built and lived in brownstones.

Flavor Profile:

Subtle raspberry and black cherry flavors, soft tannins and a very smooth finish make this the ideal red wine to enjoy with salmon, roasted chicken, turkey and baked ham.
