# Brunello di Montalcino 2018

*Fiore del Vento*

## ROBERT PARKER

The Loacker 2018 Brunello di Montalcino Corte Pavone Fiore del Vento boasts a **very vibrant dark garnet color**. The appearance of this organic and biodynamic wine is pretty to admire, and there is a lifted note on the bouquet with dried cherry skin and **raspberry tart**. A faint aldehydic note gives this wine its vertical intensity.

## JAMES SUCKLING

Clean and bright blackberry, even blackcurrant character to this with a medium- to full-bodied palate and an intense finish of firm, fruit-soaked tannins. This is **very tight and firm** just now and clearly needs some time in the bottle. But when this bright, youthful Brunello broadens out **it will be superb**. From organically grown grapes. Try from 2025.

## WINE ENTHUSIAST

The **palate is dark and sophisticated**, as berries flirt with more savory notes of dark chocolate, graphite and spices. On the palate, there's a **spark between the berries and the dark chocolate** specifically, which can be felt on the peppery finish, but **polished tannins give a slick texture**.
