

# Ombu Malbec

**100% Malbec**  
**Barrel Aged for 8 Months**

“Floral and supple, this Malbec has a luxurious ease to it, its red-cherry flavor underlined by a mouth-watering salinity. The wine feels complete, with darker plum notes filling out the bass line, and ripe tannins making them last.”

Ombu Wines are hand-crafted by fourth-generation winemaker Alejandro Roca of Bodega Roca, whose family vineyards in San Rafael, Mendoza, span 114 hectares and date back over 90 years. Nestled at 2,300 feet, these vineyards thrive in a high desert oasis, where intense sun and cool nights yield balanced, complex fruit. Named for the iconic Ombu tree—a symbol of shelter and tradition—Ombu Wines embody a rich heritage and the joy of sharing great wine with friends and family.
