

Paso Cellars Wines

Paso Robles/Central Coast, California

Produced in the picturesque Paso Robles Region, the climate and terroir create the perfect conditions for producing some of the world's finest wines. Where hot days give way to cool nights, these wines are bold and consistent. After carefully selecting the right partner with vineyards, many are grown in compliance by CCOF (California Certified Organic Farmers) which is compliant with USDA standards, Paso Cellars wines are bottled on site at their winery on the East Side of Paso Robles.

Wines

Chardonnay: A crisp, vibrant, and refreshing wine. Its tropical nose leads to a fruit forward palate with hints of melons, peaches, and citrus.

Cabernet Sauvignon: A medium-bodied Cab with currant, black cherry, and pepper flavors, hints of oak, moderate tannins, and balanced acidity.
