ORIGIN

Barbera Vigna Preda comes exclusively from Preda cru: our vineyard situated in front of our winery in the core of Barolo.

Exposition: South-West

Soil: Limestone-clayey structure of Tortonian age with Arenario di Diano and Marne di Sant'Agata.

Altitude: 280 mslm

Average age of vines: 25 years.

FINING

12 months in big oak barrels (27 HL).

TASTING NOTES

Barbera Preda is our highest expression of barbera for us, 100% Barbera.

The nose is fascinated by sweet fruits, flowers and plum jam, topped by elegant and delicate vanilla hint.

The palate is surprised by balance and a smooth acidity.
