

CLASSIC

Our tribute to tradition.

Barolo was traditionally made from the union of the best grapes from different vineyards: It is with this label that we want to maintain the bond with the past, exalting it.

WINE CLASSIFICATION

Barolo DOCG, 100% Nebbiolo.

ORIGINS

It originates from the grapes grown in Barolo and La Morra.

AGING AND FINING

For 24 months in 50 Hl oak wood and then the wine is fined in bottle for at least 6 months.

TASTING NOTES

This blend of vineyards produces a wine from the ruby red colour with wide brick shades. On the nose there are notes of wild cherries and undergrowth with a delicate hint of rose. The palate is properly tannic with a long final that outlines a fresh acidity.
