Our Riserva: the union of two special crus.  
Our icing on the cake.

## WINE CLASSIFICATION

Barolo Riserva DOCG.

## ORIGINS

Per Elen is the result of the union of two special crus  
Usually we mix together the elegance of Cannubi and the power of Fossati vineyard.

## AGING AND FINING

At least 36 months in oak barrels,  
then the wine is fined for a minimum 24 months in bottle.

## TASTING NOTES

Intense ruby-red colour, with garnet hints, the nose is involved in balsamic waves thanks to officinal herbs, incense, sweet liquorice, overripened cherry. In the mouth reveals a wide spectrum, goudron, caramel, marasca. The tannins are powerful, smooth, huge but sweet, seem to be shaped to last for ever, they balance perfectly the acidity.
