{ winemaking process }

Crafted by winemaker Joana Santiago, our indigenous grapes are sourced from the best plots in the southern subregion of Sousa, exuding the uniqueness of the terroir and abundant Atlantic influence. Our grapes are handpicked early in the morning, in 20kg boxes, and received at the winery within 10 minutes where they begin their journey from de-stemming and pressing to fermentation in stainless steel tanks. The well-tended vinification process under our winemaking team is a labor of love.

{ sustainability }

We are proud of our comprehensive sustainability program across vineyard, winery and community including low intervention, water management and energy consumption.

{ well being }

Low alcohol. Gluten-free, vegan friendly and low calorie (90 calories per serving).

{ expression }

Friã Friõ Vinho Verde is a joyful expression of the region, a light-hearted wine with beautiful mineral character, fruitiness and crispy acidity. This is a delicious and refreshing wine to enjoy on any occasion. At blind tastings, it is consistently classified above its category.

{ food pairing }

Delicious with or without food. Pair with chips & dips, olives & cheeses, summer salads, soups, seafood, chicken, spicy dishes - anything really.

{ tasting notes }

A luminous citrine color, delicate aromas of green apple, pear and tropical fruit with nuanced floral overtones, the wine is lively and fresh on the palate with a persistent finish.
