Fria Frio Vinho Verde Rosé

A joyful expression of the region, a light-hearted wine with beautiful mineral character, fruitiness and a light effervescence. This is a delicious, refreshing, lower alcohol (10.5%) rosé.

Our Grapes

Espadeiro and Touriga Nacional grapes are handpicked early in the morning, in 20kg boxes, and received at the winery within 10 minutes where they begin their journey from de-stemming and pressing to fermentation in stainless steel tanks. The well-tended vinification process under our winemaking team is a labor of love.

Tasting Notes

Hints of wild strawberry complemented by floral notes. Lively and well balanced it has crisp acidity and a smooth delicate finish.
