GUIDA BIO

# Brunello di Montalcino 2018

## ROBERT PARKER

The organic and biodynamic Loacker 2018 Brunello di Montalcino Corte Pavone offers a silky presentation of dark fruit flavors that are intermingled with **light shades of spice, earth and crushed flower**. The wine offers **lively fruit** and shows **good overall balance**, with mid-weight texture ceding to bright acidity. This is a 22,000-bottle release.

## JAMES SUCKLING

Lots of clean berry and cherry fruit here, bound together by **elegant** and **fine tannins on a full-bodied palate** that's solid and layered, whilst maintaining a **delicate touch throughout**. From organically grown grapes. So well constructed, this is ready to drink now, but will age nicely, too.

## INTRAVINO

Rubino, pulitissimo, vivace. Naso di frutti piccoli, vegetale, pepe bianco, scorza di agrume, mela. **Bocca molto elegante** vera fresca tannini cremosi, **succoso, lungo**. Finale cremoso e caldo
