

SAUVIGNON BLANC 2023

TRISKA VINEYARD, LIVERMORE VALLEY

This Sauvignon Blanc comes from the Kent family's north-facing Triska Vineyard, the coolest site in Crane Ridge which experiences constant breezes and a thick blanket of coastal fog each morning.

This true-to-terroir wine reflects both the Kent family's gentle attention to detail in the vineyard and Julian Halasz's masterful winemaking. Estate-grown, produced and bottled!

TASTING NOTE

This wine's perennial, "cult-classic" jalapeño note is already kicking on the 2023 vintage- no cellaring needed! It's joined by lemongrass, lemon pith and citron-vert. The tropical nature deepens on the mouth-coating, and where its zippy acidity leads the charge on the finish.
