300 CASES PRODUCED

### About Kaena Wine Company

For over 25 years Kaena has been utilizing native Hawaiian intuition to craft unique balanced wines of style, elegance, and power. This is achieved by selecting only the finest vineyards and working closely with growers to ensure the highest quality fruit possible. The wines are made utilizing the best techniques the old and new world has to offer. Fermentations occur naturally with native yeasts, and caps are mixed by hand to ensure gentle extraction, creating long-lived wines with a deep sense of varietal character and terroir.

### Vineyard

- Tierra Alta Vineyard, Ballard Canyon

### Winemaking

Sourced from the limestone laden hillsides of Tierra Alta Vineyard using three clones of Grenache; 362, Tablas, and Alban. Grapes were cold soaked for 5 days prior to fermentation using native yeast to attain a sense of terroir. The wine was aged for 18 months in Neutral French and American oak barrels prior to bottling.  
Malolactic Conversion: Yes

### Tasting Notes

Bright aromas of raspberry, cherry, and rhubarb, along with spiced aromas of sarsaparilla, white pepper, mineral, and herbs de Provence. Juicy flavors of raspberry, plum, and cherry, give way to a core filled with red licorice, leather, cola, mineral, and herbs de Provence. The finish is long with taught, spicy tannins.
