

ARGOT

2022 CABERNET SAUVIGNON

NAPA VALLEY

WINE NOTES

A classic expression of Napa Valley Cabernet Sauvignon, exhibiting an abundance of the hallmarks that have made these wines famous—purity of black and red currant fruit; massive flavors; weightless, yet coating textures; complexities of mint and eucalyptus.

VINEYARD

Sourced from two valley floor ranches in Saint Helena and Oakville.

VINTAGE NOTES

September kicked off with an impressive heatwave, before moderating as harvest approached, providing the freedom to pick at our leisure. Overhead misters and shade cloth in the vineyards provided the necessary protection to weather the heat successfully, leading to a relatively drama-free harvest season.
