## 2024 SAUVIGNON BLANC BENNETT VALLEY, SONOMA COUNTY

**WINE NOTES** A serendipitous encounter while sorting a Sauvignon Blanc grapes during the 2011 harvest first brought Beth and Justin together, and the rest is history. Years in the making, Sauvignon Blanc was the perfect addition to Argot's portfolio.

**VINEYARD** From a Friulian Suitcase clone, brought to California from a vineyard just south of the Italy-Slovenia border. Planted on the north-facing hillsides of the cool-climate AVA of Bennett Valley— Sonoma County's premier Sauvignon Blanc terroir. This region's long growing season allows the grapes to achieve glorious ripeness while retaining a dazzling acidity.

**VINTAGE NOTES** *Pouring a translucent pale-yellow, belying a naturally elegant character. The aromatics concentrate in the glass, inviting the nose to linger over notes of papaya, orange blossom, and lemongrass. Juicy stone fruits dominate the lush palate, as mouth-watering acidity lifts beaming citrus fruits, and accentuates a palpable minerality. Another stunning Sauvignon Blanc from Sonoma County's paramount white-wine terroir of Bennett Valley!*
