Reviews & Tasting notes

Salanques 2022

Balanced, intense and pure

25 to 30-year-old Red Grenache vines (70%), Carignan (20%) and Syrah (10%). Steep slate hillsides (100%). Hand harvest grapes using 10kg boxes. 100% destemmed grapes. Berry by berry selection on the sorting table. Fermentation in stainless steel tanks and in French oak vat. Ageing for 12 to 14 months in French oak barrels.

Vinous / Joaquín Hidalgo
November 2025, **94**

This ripe red has pronounced fruit intensity and delivers mature flavors framed by balsamic and wild herb notes. It is dry, intense and lightly powdery in texture, offering concentration and juicy flow with silky grip and compact structure.

November 2025, **93**

Blending 65% Garnatxa, 25% Carinyena, and 10% Syrah from older vines between 25 and 50 years of age, the 2022 Salanques exudes serious Priorat character in its dusting of schist soils, dried herbs, spices, garrigue, and minerality, most of which comes from the Carinyena, deeply salty and leathery too. The Garnatxa adds a brightness of red fruit and youthful vigor. There's a silkiness of texture and length around generously grippy tannins and a voluminous full-bodied structure. The vintage was warm, and the wine exudes that heat. It should continue to be in its prime another 10-12 years.

Decanter World Wine Awards 2025
Silver Medal
June 2025, **92**

Peppery and savoury spices over aromas of ripe red plums, mineral undertones. Tight and vibrant on the palate, well composed.

Robert Parker / Luís Gutierrez
May 2025, **92**

It's a classical modern Priorat with notes of wet slate, abundant spiciness and an earthy dustiness.

Peñín Guide 2025
July 2024, **94**

Color: cherry, purple rim.
Nose: fruit expression, red berry notes, floral, spicy.
Palate: flavorful, fruity, good acidity, long.

2024 DOQ Priorat Tasting Report / Miquel Hudin
July 2024, **93**

Ripe boysenberry with a touch of dark cherry, light thyme and sage notes on top of soft toasted notes and burnt orange peel. Juicy and fresh on the palate with fine fruit width leading into the grippy finish.
