**Farming :** In organic conversion since 2010, plowing the soil, only use of sulfur and copper, natural fertilizer.

**Winemaking :** Hand-picked grapes, instantly pressed, use of native yeasts for fermentation.

**Aging :** 12 months on fine lees in neutral oak barrels from 2 to 10 year old.

**Clarification :** Light filtration.

### ... To the glass

Deep yellow robe with golden tints. The wine is very dense and concentrated. The nose is powerful with floral, mineral, honey, spicy and tea notes. The palate is very round and creamy, with ripe peaches and pears notes and some almonds. A long, bright and outstanding finish!

### Food pairings

Amazing with seafood, oysters, foie gras, goat cheese, poultry with cream, trout with cream and almonds.

### Practical information

- ★ Fruity and Generous for aging
- ★ **Aging potential** 0 - 15 years
- ★ **Service** Drink from 11°C

TERROIRS ORIGINELS  
BEAUJOLAIS MACONNAIS

« Precision is what guides my work in the vineyard and cellar. I love being very meticulous about my exceptional terroir, situated between the villages of Pouilly and Fuisse. For me there is no great wine without great grapes, and I bet a lot on my land. For me it must remain alive. Thus, for over twenty years my vineyard has been blessed with what I like to think of as a kind of alternative medicine, which translates into regular soil tillage,
