DENOMINACIÓN DE ORIGEN

Lagar de Cervera is the Albariño project of La Rioja Alta, crafted in the heart of Rías Baixas. The 2025 "Barquito" is a special bottling for the U.S. market, featuring a small boat on the label — a nod to the La Rioja Alta "Little Boat" spirit and a celebration of connectivity, exploration and the shared enjoyment of great wines across oceans. This Albariño captures the Atlantic freshness, minerality and purity that make Rías Baixas one of the world's great white wine regions.

TASTING NOTES

Pale straw yellow with brilliant clarity. Intensely aromatic, with notes of citrus zest, white peach, green apple, fresh herbs and delicate white flowers, underscored by a signature saline, oceanic minerality. The palate is vibrant and precise, with bright acidity, a silky texture and flavors of lemon, lime, stone fruit and a hint of sea breeze, leading to a long, refreshing finish.
